Self service kiosk solution for prints and copies.

Cartadis   ecoprintQ   PaperCut™ Certified

How Does it Work?

cBot allows users to choose how they pay for print and copy jobs. It connects to all major copier brands and provides payment options which include coins, bills, major credit cards, and virtual payments like PayPal, Apple Pay, Android Pay, and Samsung Pay.

• Users can pay-as-you-go without the need to create a PaperCut account when making copies and receive a refund for unused balance
• cBot allows users to add credit to an exisiting PaperCut MF account, with the remaining balance available for future use
• PaperCut users and guests can print from their desktop or mobile devices and release their jobs at the cBot

Options:

- Coin changer
- Bill acceptor
- Nayax Credit Card Terminal PCI/DSS | COMODO SECURE
  * Need to register an account with Nayax payments
- Authentication readers (barcode, mag stripe, prox)
- Network: built-in switch
- Supported System: PaperCut MF

  * Cilantro annual subscription

Specifications

Height: 35.8 in
Width: 12.8 in
